## Email Reminder – Trying to make it easier....

Here at Apricot, we are always working on trying to make life easy when it comes to ordering of meals for your children...

Therefore we are introducing an email service from 20<sup>th</sup> February, where we will email you on a Thursday, as a gentle reminder to place the order but also to make sure you know what is on the menu.

In addition to help save both the school and us extra printing costs, we will also be able to send out the menu selector for each half term to you direct.

This is in addition to it being posted on our web site

<http://www.apricotcatering.co.uk/schools>

All we need from you is your email address by either dropping us an email to accept this to [info@apricotcatering.co.uk](mailto:info@apricotcatering.co.uk) or please complete and return this form with the next lunch order.

Childs Name:.....

Email:.....

Many thanks & please do feel free to also pass on any comment to our email address too....

Just Eat More  
(fruit & veg)
